

Hope you're looking forward to 8 weeks of FUN tennis.

You'll make new friends and play with different ladies each week.

Court schedule will be sent to each player via email.

The highlighted pplayer on the schedule is Court Captain and brings game balls.

Court Captain contacts the other 3 players in advance to confirm they're ready to play.

Each player is responsible for finding her own sub.

If you are sending a sub, please inform your Court Captain.

If you need a sub, contact someone within the group first, if possible.

Have Fun!
